Subject Imidacloprid Standards

Hi Terry,

I received your voice mail pertaining to the subject standards:

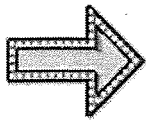

imidacloprid 5-hydroxy
imidacloprid hydrochloride des nitro
imidacloprid olefin des nitro
imidacloprid olefin
imidacloprid urea

As a generic registrant of Imidacloprid, we did not perform any metabolite studies. Therefore, I am not familiar with the aforementioned standards. If you could provide CAS No.'s, I would be more than happy to attempt to source and purchase commercially.

If you have any questions, please let me know.

Best Regards,

John Moyer

Dear Theresa,

Morris Gaskins forwarded me your e-mail request below. I have attempted to provide analytical standards for the commercialized Albaugh, Inc. products. I was able to source only three of the these standards. The remaining standards are on back order for 3-8 weeks. I will ship the standards that I was able to obtain next week and I will inquire into the back order standards at a later date.

I hope this is helpful. If you have any questions, please do not hesitate contacting me.

Best Regards,
